Getting In The Game: Title IX And The Women's Sports Revolution (Critical America)

Synopsis

In this first legal analysis of Title IX, Deborah L. Brake assesses the statute's successes and failures, using a feminist theory lens to understand, defend, and critique the law. While the statute has created tremendous gains for female athletes, not only raising the visibility and cultural acceptance of women in sports, but also creating social bonds for women, positive body images, and leadership roles, the disparities in funding between men's and women's sports have remained remarkably resilient. At the same time, female athletes continue to receive less prestige and support than their male counterparts, which in turn filters into the arena of professional sports. Brake provides a richer understanding and appreciation of what Title IX has accomplished, while taking a critical look at the places where the law has fallen short. A unique contribution to the literature on Title IX, *Getting in the Game* fully explores the theory, policy choices, and successes and limitations of this historic law.

Book Information

Series: Critical America

Paperback: 320 pages

Publisher: NYU Press; Reprint edition (August 20, 2012)

Language: English

ISBN-10: 0814760392

ISBN-13: 978-0814760390

Product Dimensions: 6 x 0.8 x 9 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)
