Customer Reviews

I love the option of renting text books. If the book is one I will use for a long time I can always go back and purchase it. After having so many text books get updated or be poorly written or not relevant to what I will use for years to come, renting text books is always my first choice. Until the end of the year, I will not know if it worth the purchase.

AMAZING for the price. It's in great condition. No weird smells, barely any highlighting. No ripped pages, no bad signs of wear and tear.

What can you say about textbooks? Very useful.

needed the books for a course was easy to find
