Customer Reviews

years ago there was publication rotated around the German medical profession by some Pharma-Company as a calendar :the "Temmler calendar " There you did find good and "adult" jokes. One per day or week -I can't remember - Pity it is not publicized any more . There was some horizon and taste still maintained. You should get hold of these calendars and publish them. Most of the "King-jokes" are very blunt and tend pick up the old stereotypes like "Blondes"etc.

This book had some funny jokes in it but I'd really like to find one that doesn't have the same jokes. I means some of these I've heard 10 or 15 years ago.

This book was great Can't wait to tell everybody about how hilarious this book is. Will have you laughing out loud.

Most of The jokes are good. I call my mom long distants and read the jokes to her. shes a elderly lady who loves laughing. This is the best medicine to share with someone who can use a good laugh! I would highly recommend it. ENJOY! winkey

The book was fun to read, but some of the jokes go back several years ago. lused some of these when I was growing up.

By reading it I was laughing a lot! Would like to have more of this Kind of books! Thank you!

Many of these jokes have been around since Adam told them to Eve, Yet I found this worth the money (free) and the time for the few new to me jokes included. I laughed out loud so why not enjoy.

This was definitely an adult joke book. I was really laughing at a number of the jokes. The only objection was the author repeated some of the jokes.
