I found this book to be very clear and informative. I also found it to be light-hearted, given the nature of the subject matter. Anybody who has suffered an on-the-job injury in Illinois will find that this book can be an extremely useful resource.

This book was very straight forward and easy to read. It provided a clear explanation of what my rights are and how best to proceed in getting compensation for my work injury in Illinois. Highly recommended.

A great read. Covering the facts but making it interesting. Clearly telling the whole truth and not a fantasy. Makes a dry subject really interesting.

When your employees are taking advantage of the system... This book will show you what they know.
