Medicare Simplified: Four Simple Steps To Enrolling In Medicare And The Right Supplement Plan

Synopsis

ONLY WHAT YOU NEED TO KNOW ENROLLING INTO A MEDICARE HEALTH PLAN Enrolling into Medicare does not have to be a complex subject. This workbook educates you in 4 simplified steps on what you need to know to make an informed decision on enrolling in a Medicare based insurance plan. Social Security will enroll you into Medicare but that will ONLY cover 80% of your healthcare costs. This workbook will guide you through your Medicare options for enrolling into a secondary Medical insurance plan to cover the additional 20% that is not covered by Medicare and your prescription drug costs. Understand your Medicare enrollment deadlines that could impact when or how you take your Medicare benefits. For those that cannot afford the high costs of healthcare this workbook will walk you through the various government and private financial assistance programs available.

Customer Reviews

I have always had a problem in understanding medical terms. This book was the perfect way to get me to understand my medical needs. I am always looking for supplements that are right for my body and my health. The author has used simple English and a great outline method that allowed me as a reader to go through and find it comprehensible. The four steps are simple and easy to understand. This book is essential for any individual enrolling in a Medicare based insurance plan to make an accurate and informed decision. This book is a great and a must read for every other person out there, it is full of information, it is educative, it is powerful and a great need. Only few

people have an idea what exactly social security and Medicare. Anybody will get rid of their confusion in terms of social and Medicare. Every citizen should have this book.
