Mind Games: The Mentalist's Training Guide

Synopsis

Mind Games is a course on powerful mentalism tactics. In the course, you will learn mind-hacking techniques which will benefit your everyday life. The course is split into 3 sections, with 18 unique lessons. Sections include:- 1. Fortify Yourself: Learn how to control your mind and emotions to become a stronger person with NLP and Self-Hypnosis- 2. Gather Allies: Learn how to make anyone want to be your friend with powerful psychological techniques for building rapid rapport- 3. Defeat Opponents: Learn how to overcome challenges by manipulating your opponent's mind with various forms of psychological manipulation. The course is based on real science, and covers the most effective and proven techniques available in the field of mentalism. Unleash your full potential as a mentalist! Start your training today!

Customer Reviews

The tips in this book are immensely helpful in gaining internal and external control of conversations. I plan to read this book for memorization.

There's good content, and the price is good, I would have liked it to be longer though.

Short and Sweet! Very interesting quick read

Great tips and very informative! Loved it!
