Customer Reviews

Louise Solomon is an Aussie Yoga instructor who has blended some pilates movements into her routines. Good photos, easy instruction, combines stretching with muscle toning movements. I also purchased one of her DVDs and it was worthwhile.

I have been a follower of Loise Solomaon's Yogalates for about a year. Purchasing this book answered questions I had about my alignment and the proper way to execute the moves. I highly recommend it to those who use the video and even for those who are looking for a good workout.
