So You're Going To Collect A Blood Speciman: An Introduction To Phlebotomy, 13th Edition

Synopsis

For more than 35 years, *So You're Going to Collect a Blood Specimen: An Introduction to Phlebotomy* has served as a basic text and functional reference guide for phlebotomy. The latest edition emphasizes safety considerations for phlebotomists, other health care professionals, and patients-especially needlestick safety and prevention.

Customer Reviews

Took over a month to get. I had to e-mail to find out the status. For such an expensive book it should of been overnighted.

The book came after a little wait. It was in good order but in spiral bind (didn't expect that)Overall it's okay.
