Customer Reviews

I bought this for my mother cause she demanded it... hahaa.. however just keep in mind that if you don't have enough time to cook... this is NOT your diet! otherwise, i've had family members that have a "meals on wheels" cook and deliver there food for this and they've lost TONS of weight and look great!

I was recommended to purchase in order to maintain my weigh.Now I am sticking to the rules and think its interesting how just soughting out calories...

It is an excellent guide in Spanish with lots of great information. I recommend it to the Latin community in total.

it is too cheap, it is impossible to read, the picture when I ordered was really big. Why everything is like this?
