Customer Reviews

Looking for Lesbian, transsexual, gay, transgender that's got a rough edge? Here's ROUGH: A Band Boy Romance Novel by Gabi Moore, who warns you that this book contains "dark and disturbing themes, strong language and over the top sexiness that may be uncomfortable for some! This is also a romantic adventure, with lots of adventure for adults of all persuasions but not for the prudish. For the rest of us, let me assure you there's a happy or ending or two in the mix...

I wasn't sure what to expect based on the blurb, but I was leaning towards the profane. However,

what I found was a surprising story with two intriguing and engaging perspectives, with realizations that lead to deep, personal growth, and of course, really hot sex. I have to say, this was an exceptionally well-written, vivid and mesmerizing, steamy romance. Emphasis on the word âœsteamyâ •. This book is certainly not for the faint of heart. Iâ™m really glad I gave this author a try.

What a STEAL! The steamiest of them all, for me, I would have to say was âœThou Shalt Killâ •, but they were all fantastic. Intriguing and steamy, each and every one of them.

If I could give this a negative review I would. I'm still trying to figure out if I read the same book as the other reviewers. This is horribly written, the sex scenes are abysmal. I love some good erotica...this is not it. I'm glad I pulled this out of kindle unlimited and didn't actually waste. I didn't even bother with the "11 bonus books" attached. The grasp of the English language, grammar and punctuation is not there. How this on any "bestseller" list is a joke.

The talent this author shows will keep you completely engrossed in this book. I was hooked surprisingly early on, mainly because she did such an amazing job with conveying the charactersâ™ emotions and the way she managed to put into words their inner dialogues. This was my first book by Gabi Moore and I really look forward to reading more of her books in the future. An incredibly sexy and suspenseful story, well-deserving of my highest rating!
