Mercy: Satan's Cubs MC

Synopsis

HE SAVED ME FOR ALL THE WRONG REASONS My life had spiraled out of control. In one split moment, everything I knew was ripped away. Everything except him. Every fiber in my body screamed to keep him away | but somehow, this monster pulled me in. I know I should get away. Run while I still have a chance. But each time I feel his searing lips on mine. Each time he whispers in my ear "all the things he'd do to me. I can't help believe him. And I can't stop begging for more. MERCY is a full-length, standalone romance novel with steamy hot sex, NO CHEATING, strong language, a happily ever after ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers. Perfect for fans of Joanna Blake, Alexa Riley, Devon Hartford, Sabrina Paige, Winter Renshaw, Vanessa Waltz, Emilia Kincade and Melanie Harlow

Customer Reviews

The story was good but everything seem to happen too fast. I enjoyed the second book that was included in it more than the first. Not at all a continuation, separate story, Had more Mc club stuff than first and more characters development. I enjoyed the book but felt wanting more from cover (

main story)

I've always been a fan of Sophia Hampton's books and this one is no exception. What a lovely story! Melanie and Andy are both looking to get out from the demons haunting them and unexpectedly find solace and comfort in each other. But Andy's criminal past just won't let him go and just when things look like they're headed in the right direction, things take an unexpected turn. The story had me on the edge of my seat until the very end. Five star read for sure!

Love stories like this where two lost souls are looking for each other without realizing it. This book hit a lot closer to home than I'd like to admit and there were times where I had to gather myself to keep going. BEAUTIFUL story!

Overall, the book was good. Melanie and Andy were great characters with their own separate lives before they met and the book doesn't lose sight of that. Their chemistry was believable and I liked the plot. There were some editing issues that I found and took off a star for that.

The story was really good but Melanie absolutely stole the show. Her struggles within her own life and the complications brought by Andy made it hard to put down. Definitely will be reading more from this author!

This is my first book with this author and I'm struggling to go farther than chapter 3. I'm so bored!!! Is this in 1st person? 3rd person? Thankgod it was only .99. To the author, my apologies for being this abrupt, but damn is it boring as hell.

The plot was interesting and I thought both Andy and Melanie were really compelling characters. The middle of the book feels mudled and I think some of the side storylines could have been simplified.

Addiction and unexpected love brought Andy and Melanie together, but the road to happiness is anything but smooth. Sophia Hampton has delivered something equally erotic as it is dark. The characters are rich and complex, and the plot moves rapidly once all the set pieces are in place. Great read!
