Tara Mantra Magick: How To Use The Power Of The Goddess Tara

Synopsis

For most, the goddess Tara the Goddess of compassion and protection. Few people know that she has several other natures as well; 21 in all. She, like most deities in the eastern religions, whether it be Hinduism or certain forms of Buddhism, have several different natures. As I stated in the book on Kali in this series, I mentioned that many deities have qualities that we, in the west, may consider to be "evil" but in the east, they are considered "wrathful". Tara and her energies are very well suited for use in Magick. More often than not, her energy is loving and embracing. But as I said, she has a wrathful nature that can very much be equated to the Hindu Goddess Durga and perhaps even Kali of the Hindu traditions. This wrathful nature can be harnessed. With that said, let's take a journey through the energies of Tara.

Customer Reviews

Another cracking book by Baal kadmon. If you're nervous about trying Magick this guy and Damon Brand will put you at your ease. The attitude is 'Don't worry I know what to do and I'll show you It's easy'. No making a big deal about anything, no posing, just great information and magick that works really quickly. Simple is great, fun and effective, don't make it harder than it needs to be.

Excellent book. Author is clear and give great wisdom. Very happy with my purchase and to connect with such a Goddess as Tara.
