Ain't The Beer Cold!

Synopsis

Hall of Fame broadcaster Chuck Thompson, with the assistance of veteran Associated Press sportswriter Gordon Beard, shares a personal play-by-play account of his celebrated career and life in this newly updated paperback edition of *Ain't the Beer Cold!* Since his broadcasting beginnings fresh out of high school in 1939, Thompson has served with the Armed Forces in World War II, relaxed as a one-man audience for a crooning Bing Crosby, and done sportscasting for the Phillies, A's, Senators, and Orioles. In 1993, Thompson's broadcasting achievement was honored with a place in the Broadcasters' Wing of the Baseball Hall of Fame. Here he offers a delightful and insightful perspective on his profession, its people, and its place in the heart of American sports.

Customer Reviews

chuck thompson was a great broadcaster for the colts and orioles during the 60's and 70's. this book gives you a more in depth coverage of the man marylanders knew so well... chuck was a true gentleman and the two times i met him, he took several minutes to talk with you and treat you like a neighbor. a good book to keep as a keepsake or give as a gift to any orioles or colts fan. chuck the beer was cold when you called them so many hot baltimore nights and cool baltimore falls.....

Great, fast read written by my great Uncle Chuck. He was radio and TV sports announcer for the Baltimore Orioles well into his late 70s. He was inducted into baseball broadcaster HOF at Cooperstown.

A very good read on one of Baltimore's icons. Truly a Hall of Famer in the world of sports broadcasting.
