Book Markets For Children's Writers 2007

Synopsis

The difference between a writer's success and failure is often found in simply knowing the answers to these three questions: 1. Who are the right editors to submit to at each publication? 2. Where are they currently located? 3. What's the best way to target your manuscript to them? This valuable information is available in the all-new Book Markets for Children's Writers 2007. The 100% updated, expanded, and verified market directory contains over 565 updated listings of today's most reputable children's publishers, including 56 brand new markets. With additional sections on submission strategies, contests and awards, and feature articles on selected markets, this all-in-one resource is the competitive edge freelance writers need to break into print in 2007.

Best Sellers Rank: #10,337,075 in Books (See Top 100 in Books) #85 inÂ Books > Reference > Writing, Research & Publishing Guides > Writing > Children's Literature #6591 inÂ Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Authorship #8504 inÂ Books > Reference > Catalogs & Directories

Customer Reviews

If I could choose only one writer's resource, this book would be it. I order a current copy every year to keep me updated on publishers' needs and submission guidelines. I like the way the book is organized with respect to book publishers and I also like the additional dividends in terms of sample cover letters, sample query letters, and sample synopses and outlines. There is even a section for manuscript preparation as well as a section for picture book submissions and picture book dummies. This book covers just about everything a writer needs to know about how to submit a manuscript and to whom. Highly Recommended!
