The Ultimate Another World Trivia Book

Synopsis

In its thirty-five years on the air, Another World has been an innovator and groundbreaker in the realm of daytime television. The denizens of Bay City dealt with such taboo subjects as abortion and LSD addiction as early as the 1960's. Of course, they had their share of sex and murder, too. The Ultimate Another World Trivia Book will appeal to the insatiable appetite of Another World fans for facts about the show and its stars. This book contains the dish on all the daring story lines, backstage scandals, real-life romances, famous fans, and other trivia tidbits.

Customer Reviews

Very informative, very absorbing. Full of taboo storylines, fun facts about the actors, behind the scenes drama, etc. I also recommend the AW 35th anniversary coffee table book. Enjoy!
