I bought this for a friend who needed a quick solution to writing all of the thank you notes from her wedding. In return, I received a thoughtful and well-organized note thanking me for sending her, as she wrote, " one of my most useful wedding gifts." With a response like that, I'll be sending this book to every bride-to-be I know!

This book was the perfect little top to a shower gift from one of my dear friends! I've used it for all of the gifts we've received for our wedding and it's made the process so much less stressful! A jewel of a book I'd recommend to everyone.

Disappointing. Purchased as a Christmas gift for my niece who's getting married in August. I didn't give it to her. Not much info/guidance. For the price, I expected something more than a thin little pamphlet with a few pages of thank you note tips easily gleaned from other sources.

I purchased 7 Steps to an Organized Wedding Thank You Note for my friend's daughter, Vanessa. I included it as part of her shower gift. Incredibly well written, organized and full of useful information. Know it was used when I received my beautiful Thank You note from her. Well done, Miss Murray.
