Customer Reviews

This information can be found online for free. Complete waste of time and money.

What else is there to say. I love all of the Mitch Rapp series. I must because I have read each book twice. I have a library in my house. I collect the hardback editions of my favorite authors and Vince Flynn is one of them.

I was mistaken. I should have read deeper but shame on for not being clearer. Who thinks they're buying a list?!

It's good to have these books in the appropriate reading order and this is the way I chose to keep it straight without having to resort to other means. Thanks.

Public information! Don't pay - google yourself instead! Total rip off.

I look forward to each addition t Vince's collection and am on the waiting list...!!!!!!Keep it up Vince!!!!!!Thanks..

Very useful. There is just my enough Vince Flynn to go around.

Helpful guide! Not much else to say. Lol.
