Once upon a time, this man was considered a joke among the business world and after years of showing how to negotiate his way through that jungle, he is a king of things few of us understand. Donald Trump says;we do not work only for money but we need to enjoy what we do. Donald Trump is very popular around the globe; he is a successful businessman and he might win this coming President election in the United States. It good book which learn those 10 top rules for success so I can use it as my motivation and guidelines in my career and be successful in life. Short, clear and straightforward. I would totally keep these rules in mind.

Good to read how Donald Trump succeed in his business and life. Its an interesting topic in such

season of campaign to white house. I like a comment in the book that you are as good as the people you work with, this is very key which point out one would like to look more than presidential candidate but as well as the full line up that would be crucial to decision making.

Donald Trump says;we do not work only for money but we need to enjoy what we do.This gives satisfaction and happiness in ones life.To be successful in your businesses and being able to do it for a longer period of time, you must have being enjoying doing that specific tasks.It is not simple to be successful in business because it need discipline ,focus and heard work.I hereby wish Donald Trump the best in the coming presidential elections.

Very interesting book. Donald Trump is a very influential person in the business world. The author did a great job on producing easy to understand content and pointing out the important aspects for being successful. It is a must have book.

This is an awesome book. This book shares the diverse responsibility for Trump and how effective he is. Donald Trump is exceptionally liberal since he profits yet he offers cash to foundations furthermore gives individuals chances to succeed. He is rich and capable in the business world. Recommended to all.

This book contains important rules and regulation that has helped Donald Trump become successful today. These are useful tips that can help anyone become successful. The author did a great job with this book, it is very easy to read and comprehend . I love it .

Given Trump's high visibility we can expect more cut & paste jobs like this book. High ratings may reflect genuine appreciation by reviewers who have not read Trump's books or rehashes in various sources. However, in order not to unduly clog the pathway for persons looking for original sources of works on popular personalities I suggest that develop some kind of code to identify copycat works like this. An essentially identical summary Trump himself is accessible at [...]

Good basic business rules for yourself and the success of your business. Once upon a time, this man was considered a joke among the business world and after years of showing how to negotiate his way through that jungle, he is a king of things few of us understand.
