Daily Life In The Medieval Islamic World (Daily Life Through History)

Synopsis

"Lindsay gives an excellent overview of the medieval Islamic world. Intended for an audience with little or no background on this topic, the book offers a thorough introduction to the beginnings of Islam, its history up to the year 1300, and material on a wide range of other topics, e.g., warfare, social practices, entertainment, and geography. . . . Numerous maps, photographs, and illustrations are spread throughout the text. . . . This book will be very valuable to history students and anyone interested in learning about the faith and practices of Muslims. Highly recommended." --Choice

Customer Reviews

Condition was as expected with a used copy. The book itself was much more interesting than I thought. I had 4 books of similar quality of writing for this class, but this book was definitely the most digestible.

So informative...I was wanting to understand...from the beginning.Great service

Eye opener on things that's hardly discussed in typical history books, especially for new readers in the Medieval Islamic world.
