# Toward An Authentic Interpretation Of The Organ Works Of Cesar Franck (Juilliard Performance Guides, 1)

## Synopsis

Franck's twelve major organ works enjoy a popularity which surpasses even that of his Symphony in D Minor. This volume provides a guide to the interpretation of Franck's organ works by examining the extant first-hand references to him as a student, performer, and teacher written by those who knew him, heard him, and studied with him. --This text refers to an alternate Hardcover edition.
