Customer Reviews

This book is great for first time owners of a Nook eReader.It is ironic that you buy a paper book to learn how to not buy any more paper books.

The recently purchased Nook eReaders for Dummies was only for the new color Nooks. It was not

advertised as such and was no use for the older Nooks.

The book answered all my questions as to the workings of my Nookcolor so far. That's all I want to say.

Very easy reading.
