His. Damn. It. Unfortunately, he must bide his time before being permitted to pursue Becky. Ross, on the other hand, wastes no time in going after what he wants, namely, one times lush human. The scent of another male on her skin only incites him further to eradicate the shifter from her mind, by whatever means necessary. Take what is mineâ |Becky knows that Rushe has his heart set on finding a mate. Since she made it crystal clear that it wonâ™t be her, sheâ™s sure heâ™s moved on. On the rebound, even though she wonâ™t admit it to herself, it leaves her free to explore her deepest, darkest vampire fantasies. Only, itâ™s not quite as freaking simple as she thought it would beâ |Be warned, the story contains strong sexual themes/language and is not intended for readers under the age of 18. (There are scenes of mÃ©nage)Although this can be read as a stand alone, it is highly recommended that you start with Chosen by the Vampire Kings first for the most enjoyment.No Cliffhanger!!

Title: Unlikely Mates Bundle Series: The Chosen Series Designation: Complete Three Book Compilation, Standalone, NO Cliffhanger Author: Charlene Hartnady My Rating: FIVE SUPER SEXY STARS*****WOWZA! OMG! I absolutely loved this story! Unlikely Mates is a sub-series and third release in The Chosen Series by USA best-selling author Charlene Hartnady and was originally published in three separate installments, His First, His Last and Their Everything which is how I initially read it. Charlene has now released the complete Unlikely Mates Bundle which is a convenient and affordable compilation of all three books. I was elated when Charlene announced the release of Unlikely Mates which is Dr Becky's story. And just why was I so excited you ask? Well, I'd been waiting for Becky to have her own series since she was first introduced as Tanya's over-sexed best friend in Charlene's debut hit series, Chosen by the Vampire Kings and please believe me when I say, it was well worth the wait! Charlene totally knocked it out of the park - again! Yes, Charlene has amazing talent. Yes, she has an astounding imagination. And yes she has incredible skill but it's her unique ability to draw her reader into the story and make the fantasy come to life as we become immersed in the worlds and characters she creates for us. And the characters - what can I say! They capture not only your imagination but your heart as well. It's rather hard to explain but I'll give it a try. In some books, it's obvious that all the characters are created by the same person, the individual writing the story, but with Charlene's characters, they take on a life of their own, as if they were created by totally different people. They live, breathe and have their own distinct mannerisms and personalities.
