Customer Reviews

It is an excellent version of my worn out early studies book. Binding, printing, aspect ratio all excellent. The page numbers are consistent and all musical notations are as the original. The only change I noticed was that the list price no longer appears on the cover. Otherwise identical.

If you cannot wait for a Henle edition, this is a fine edition of the Chopin Waltzes and includes a lengthy prologue.

I already had a copy of this edition of the waltzes. However, it was much more than 60 years old, and was falling apart. I was delighted to find that I could get a new edition of exactly the same printing. I am extremely pleased with it.

I could not find Chopin's waltzes scores in the music store. I am happy I could find one here. But the notes are little too small. I wish that there are more versions.

I am thoroughly enjoying this set of Chopin Waltzes.
