Customer Reviews

When I first purchased this Book, I truly thought it would just be a way to alleviate stress and promote a peaceful, protected home/space yet the more I read/recited I began not only to see AMAZING results yet also it turned out to be a great aid in spell and ritual work! I totally review these chants daily as well as have been able to incorporate so many of them in my work; by combining more than one! My only wish is that it was longer-nevertheless it's perfect for the price!

Chanting is one of the "staples" of Wicca and Witchcraft, and this book has many magickal

suggestions to use in your practice.

A beautiful written collection of useful chants. Something for everyone. Practical and easy to use. A great addition to any Wiccans collection.

This book was shorter than I expected but I really enjoyed it. I will use it as a reference guide throughout my journey of learning more about this subject.

This was a very helpful publication. A must read to Wiccan! I enjoyed all the informal information and the oil spells are on the mark..

It's a really good book and I definitely recommend it to any beginner or advanced witches/ wiccans definitely give this book a read.

I am so disappointed in this book. The formatting is poor. The book is even shorter than I expected, and I expected it to be pretty short. Most of the chants sound like something a young teenager would come up with, perhaps if I were a child I would like them. There is absolutely no flow through the words. Don't waste your time.

These chants are short and easy to remember.
