# Gateways To Democracy: An Introduction To American Government (with MindTapTM Political Science, 1 Term (6 Months) Printed Access Card) (I Vote For MindTap)

## Synopsis

GATEWAYS TO DEMOCRACY introduces readers to the American political system, pointing out in each chapter the "gateways" that facilitate, or at times block, participation. In emphasizing how the political system works-and how individuals and groups have opened gates to influence public policy-the text helps readers better see the relevance of government in their lives. The third edition provides coverage of the 2014 midterm elections as well as enhanced discussion of the politics, policies, and issues affecting Latinos in the United States.

## Customer Reviews

Amazing book and class, book came with an online portion that had amazing features that really made learning easier like the read aloud function and the mobile app with quizzes. Really helped me pass my class.

I hate the fact that political science professors get to make up words to describe an artificial phenomenon happening in politics.

I can't seem to find the access code on the Kindle version of this book for mindTap, where do I locate it?
