Twilight: A Drama In Five Acts (Texts And Translations)

Synopsis

Elsa Bernstein lived at the center of Munich's cultural life from the 1890s into the next century. Her literary salon was frequented by such authors as Rainer Maria Rilke, Theodor Fontane, Henrik Ibsen, and Thomas Mann. Her plays, written under the pseudonym Ernst Rosmer, are noteworthy for their unconventional female figures, uninhibited language, taboo subjects, and realistic detail. Susanne Kord, the editor and translator of *Twilight*, discusses the reception of Bernstein's works--at first enthusiastic, then increasingly sexist--and the theme, in *Twilight*, of the culturally sanctioned oppression of women. In this naturalist drama, a woman eye surgeon treats the daughter of a man who is prejudiced against educated women. Her successful treatment wins the father's affection for her, and they fall in love. She is ready to give up medicine for wedded bliss--her wish is to become "very happily stupid--but finds misery instead.

Book Information

Series: Texts and Translations (Book 14)

Paperback: 187 pages

Publisher: The Modern Language Association of America (January 1, 2003)

Language: English

ISBN-10: 0873529286
