My son is 9 and in a Spanish Immersion Program. This is the dictionary he uses in the classroom. It has been invaluable to have in our resource library at home. In 2013 he graduated from the program. At 15 he took the Spanish advanced placement exam and scored the highest score possible, a 5. Two years later he took the Spanish literature advanced placement exam and again scored the highest score possible a 5. At the Spanish immersion banquet his senior year 17 students were honored for completing the program. Not only had they finished the program but they were a unique special family, for they had all known each other 13 years. I cannot recommend this program enough! My son his freshman year of college said he really missed speaking Spanish everyday! His foreign language requirement is fulfilled. His goal is to study and live in Spain.

Very simple dictionary. Use it all the time and it is also hardcover which makes it even more useful. YOU should totally get it for a simple and good dictionary.

Este diccionario es bastante completo, pero no tan atractivo al ojo de un niño, tampoco es a colores como otros dirigidos a la población escolar.
