I enjoyed reading this very educational and well written guide. I've recently taken up picture framing as a hobby and found this well written guide to be very helpful. It's a nice guide that covers many aspects of setting up a picture framing business. For the moment, I'll just keep with learning from my many mistakes! Maybe someday soon I could make a living from this hobby. If I do decide to go down this road, I'll be referring back to this book!
