Customer Reviews

One of the funniest books about sayings used in Texas that I have ever read. It is priceless!

This is a great book; if you want to perk up your vocabulary, and make it more colorful. You can sit down and open it to any page and be amused. It also has listings for most of the towns in Texas, and the correct pronunciation of them. I have enjoyed this book so much I am giving them to friends for Christmas. Its a good book for a rainy day, and according to this book, A rainy day is a good day to be in bed with a good book or someone who has read one.

This is a very funny book! Also check out Everything Texans Need To Know About The Other 49 States (Brook & Julie Syers).
