Encyclopedia Of Numerology

Synopsis

You have now, for the first time an authentic and comprehensive book on the mysteries of numbers revealed by the ancient masters. This book is therefore the final word on numerology and a powerful key to the shaping of your destiny. Encyclopedia of Numerology explores how we can prosper in life by utilizing the power of our ruling number or by making a slight change in the spelling of our name. The author explains lucidly how a particular day or the month or the year is for us. Similarly the book assists us in selecting our life partner, as well as getting good luck in lottery or in horse racing and above all, how to find out things lost. The author has ably handled many such mysteries in this book.
