Customer Reviews

Awesome book for any law field students! Examples are even given on a few of the more obscure terms which makes it more of a "in simple, plain English" book. I would even say a business student would benefit as well. Great price and is compact enough to slip into my messenger bag before class.

everything great

If your taking any kind business class this is a good reference book to have.

Very Good

totally worth it, it has everything i need!
