This fantastically fun quiz book contains eight hundred questions (and answers!) covering every aspect of wizarding life including the characters, life at Hogwarts, spells, potions, fantastic beasts plus much, much more. It contains all of the questions from both Jack Goldstein's Ultimate Quiz Book and Frankie Taylor's Amazing Quiz Book, even adding some completely new ones! I purchased this to prepare for a Harry Potter Trivia Night. This book does a great job of covering all the big topics from the books and films. It also has some really obscure questions and facts that I probably wouldn't have thought of.

I bought this book for my little brother's eighth birthday. He's a huge Harry Potter fan, as am I, and this book was perfect for him! It's small, and easy to carry around and hold, but good quality. He loves to quiz us all on the Harry Potter facts!

This book is great for potterheads young & old. My daughter & I had a lot of fun quizzing each other. The only reason I did not give 5 stars is because some of the questions were repetitive. All around,

it is a good buy.

My daughters are obsessed with HP and this quiz book has been great. I can't believe how much they retain from the books (if only they remembered their multiplication tables with the same amount of vigor!) The questions are a good mix of easy and hard, which was perfect for our family.

Bought this as a gift for my 11 year old nephew's birthday. He is a huge Harry Potter fan. He loved this book. We had a great time quizzing the whole family.

This book has everything I was looking for in this book it had a twist a fabulous introduction and many other things

I gave this book as a gift to my son. He loved it!
