Customer Reviews

Radio drama (or any other kind of drama) just doesn't get any better than "Suspense", a series which ran for decades but maintained its quality high from start to finish. The stories run the gamut: [1] Stories drawn from true life ("Around the World", "Dutch Schultz", "The Wreck of the Maid of Athens", and "The Bertillion Method"). [2] Fanciful speculations drawn on true life events ("The Queen's Ring", "The Mystery of the Marie Celeste" and "Goodbye, Miss Lizzie Borden"). [3] Classic literature ("The Signalman" by Charles Dickens, and "The Mystery of Marie Roget" by Edgar Allan Poe). [4] Crime and detective stories ("St. James Infirmary Blues", "The Great Train Robbery", "The Face is Familiar", "Want Ad", "Murder by Jury", and "The Cave In"). [5] Westerns ("The Spencer Brothers" and "Ordeal in Donner Pass"). [6] High adventure ("Action", "Hellfire", and "Lily and the Colonel"). [7] Suspense ("Pigeon in a Cage", "Never Follow a Banjo Act", and "Parole to Panic"). [8] Science fiction ("Plan X", and "Heavens to Betsy"). The collection features some classic stories and big stars (for example, Ronald Reagan, Agnes Moorhead, and Van Heflin). Some of the real gems, however, are little known stories featuring people you never heard of. "Public Defender" tells the story of a lawyer who performed far above and beyond the call of duty. "Sequel to Murder" features a man who makes up for a lack of creativity with a talent for imitation.
