REAL SISTERS 2

Synopsis

Sometimes family can be your worst enemy. With Kamille being ready to watch her sister struggle she lies to Salantay and gets Ayani kicked out with nowhere to go. Ayani being desperate she accepts aid from her ex boyfriend Kashâ™s father, Mr. Daniel, but things become far more complicated when they begin to mess around and Mr. Daniel starts to catch feelings that Ayani just canâ™t reciprocate. Karma bites Kamille in the ass when sheâ™s caught doing what she accused her sister of, although it was nothing that it seemed to be. Kamille has bitten off more than she can chew with her boo Quez; the stress becomes all too real when he wants her to do something that will change her life forever just to prove her love and loyalty for him. When sisters are forced to come together, secrets come out, and bond that was once broken comes together, but did it all come too late?

Customer Reviews

The 1st real sister was do good to me i couldnt wait for the 2nd one to come out. But after reading it unfortunately i was very disappointed. I dont want to tell the book but its as if something is missing.

The ending was decent but it just seem like the story was dragged on. Definitely expected more.

I chose this rating because of the excitement, I'm glad that the sisters finally forgave each other and made it work, i just hope it's not it's not to late. I hope nobody died. I just hope everyone survives and get it together. I would recommend this book to anyone who lives the life and enjoy action and entertainment from sister's and family life.

It was a good story but it dragged. Plus all the characters were extra dumb and doing abunch of dumb BS. The things they were doing were truly unbelievable. Nothing about this story eas exci5ing enough to make me wanna read 3.

I love this book I couldn't put it down even when I was at work plz plz plz let there be a 3 u just can't leave me like that

I was desperately waiting for this second part to come out! It was a great read overall. Well done Adrian.

I loved all three parts these books had me on the edge of my seat waiting to see what happens next
