America's Most Wanted Recipes: Delicious Recipes From Your Family's Favorite Restaurants (America's Most Wanted Recipes Series)

Synopsis

Ron Douglas reveals the secret recipes from America's restaurants "The Cheesecake Factory, The Olive Garden, P.F. Chang, Red Lobster, and many more" and shows readers how to make them at home for a fraction of the price. The average American family eats out three or more times per week, which translates into hundreds of dollars spent on food each month. In these hard economic times, families simply can't afford to keep paying these high prices. And Ron Douglas has spent the past five years of his life ensuring that we won't have to. With the help of a test kitchen and more than 45,000 tasters, he uncovered the carefully guarded recipes of the most popular meals at restaurants across the country. With his easy-to-follow steps, families can now enjoy the meals they love most at a price they can actually afford. KFC's Famous Fried Chicken, Chili's Southwest Chicken Chili, Olive Garden's Breadsticks, and Cheesecake Factory's Oreo Cheesecake are just a few of the many famous and delicious recipes included. And because each recipe has been tested by Ron's incredible network of tens of thousands of testers, they are indistinguishable from the originals. These best-kept secrets can save you thousands of dollars a year and will put delicious meals on the table that the whole family will enjoy.

Oh boy, oh boy, oh boy! I saw this cookbook, flipped through it, said Wow, and put it in the shopping

cart! "America's Most Wanted Recipes: Delicious Recipes from Your Family's Favorite Restaurants" is one of those Must-Have cookbooks! Except for the cover, there is not a single photo of a single recipe in this 267-page cookbook. Not one, yet one of the most important determiners of buying a cookbook is plenty of photos showing me how the prepared dish should look. In this case, however, photos are not needed. We already know what the dish looks like--it is from one of our favorite restaurants! An example: MACORONI GRILL, one of my favorite restaurants, has eight recipes in the line-up, one of which is Sesame Shrimp, an Asian-inspired dish, as well as their recipe for Focaccia. IHOP's Swedish Pancakes, one of only two dishes I always order, is included. Wow! (I don't order anything else because this is what I want every time!) Or Baked Potato Soup by HARD ROCK CAFE. Basic information: Over 200 recipes from 57 restaurants A website which connects you with Ron Douglas's recipe website. How Douglas obtained the recipes A way to save money is to cook at home Eating at home is often healthier than eating in restaurants through substitutions. Three pages of cooking tips, including "For a juicier hamburger, add a little cold water to the beef before grilling" and "A roast with a bone in will cook faster than a boneless roast. The bone carries the heat to the inside more quickly." Other pre-cooking topics include: Cooking terms, guidelines for buying fresh vegetables and fruits, description of flavor and use of various spices and herbs, and shelf life for herbs.
