Cardiac Nursing: A Comprehensive Guide, 1e

Synopsis

This is a comprehensive reference text which covers all areas of cardiac care that nurses need to know about. As well as the clinical conditions and syndromes, it covers health promotion and rehabilitation. Nursing care in relation to a variety of specific conditions is discussed together with current changes and management in cardiac care provision. Contributions come from clinical experts across the sub-specialties, and the book is richly illustrated including a colour plate section.
