Customer Reviews

I bought this boxed set even though I already had two books in the set. But Scott Hildreth is such an amazing author that I couldn't pass up the deal on the boxed set. DICK - 5 stars Great freaking storyline! Ohmygosh! Elements of suspense, comedy, danger and hot sex. The main characters Dick and Jess were practically created out of the same cloth just separate genders. And their teamwork in accomplishing some very intricate criminal activities were spot on and provided for the giggles within the pages. F*ck Buddy - 4 stars Review from original purchaser I enjoyed reading this short story of Scott Hildreth's. Filled with fun and kinky sex as well as being lighthearted and funny. Definitely different from his MC novels or his psychological books this one had a little bit of everything. Grateful for authors that can change up their writing style and keep their readers coming

back for more. Brawler - 4 stars Another great story by Scott Hildreth. Not just about boxing but redemption for a lot of the characters. Finding themselves along the way and learning family isn't always about DNA but what's in your heart and soul. Have tissues ready and I'm not saying where you'll need them but you should. The difference in this book is the boxer or brawler is a woman. Who the team trained her just like they would a man. Kudos to Hildreth to giving a female leading character such a daunting role and excelling at it. The only downside is that this story needed another go at proofreading. Many word errors that would not be caught with ordinary spell check.
