## Synopsis

Earn College Credit with REA's Test Prep for CLEP® History of the United States I Everything you need to pass the exam and get the college credits you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP® exams and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP® History of the United States I test prep assesses the skills tested on the official CLEP® exam. Our comprehensive review chapters cover the Colonial Period to the New Nation up to the Civil War and Reconstruction. The book includes 3 full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right-we explain why the other answer choices are wrong-so you can identify your strengths and weaknesses while building your skills. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.

## Customer Reviews

I was fully aware no single resource would prepare me for every single angle of the US History I

CLEP. This book did the best job of balancing time with thoroughness. The 158-page summary of 1500-1877 was near perfect as far as how well it matched the scope of the actual exam. REA did a fantastic job with the three practice tests. As someone whose brain is wired towards the sciences, I was terrified to take this exam, but I knew I'd have even less endurance for a semester-long course. I procrastinated a disgusting amount, and eventually left myself with less than 48 hours to prepare (and no previous studying or history-related coursework since high school - I'm a senior in college). To my horror, after reading through the 158-page summary the first time around, I took the first practice test and missed 61/120! I panicked. Alas, after reading through the extremely detailed explanations for EACH AND EVERY question - even the ones I got right - suddenly my retention of information began to skyrocket. The following is my exact 2.5-day crash course study plan. It worked for me - I got a 68. Not too shabby for
