A Romantic Guide To Handfasting: Rituals, Recipes & Lore

Synopsis

Handfasting is a sacred marriage rite practiced by Pagans, Druids, and Wiccans for centuries. Anna Franklin explores the fascinating origins of this solemn ceremony and provides practical advice and inspiration for planning one's own handfasting celebration. From choosing wedding garb and rings to selecting a date, this book offers a wealth of ways to infuse one's special day with magick and symbolism. The author discusses the history of common wedding customs; lists gods and goddesses associated with grooms, brides, and marriage; and offers sensible tips related to budget and location. Also included are handfasting themes, sample rituals, flower/herb uses, spells, charms, and recipes for magical incense, oils, and wedding foods.

I am having a handfasting in May and my priestess suggested that I take a look at this book. It is very informative and I read it in like two days. there are maybe three ways to approach a handfasting and you can choose from the rituals in the book. I will happily pass it on to the next person that would like ideas to handfasting.

I bought this book to help me find a handfasting that I liked. They were very insightful, and had lots of suggestions. I did have to go online to find more in-depth information, but I wouldn't have known where to go without this book! Thanks

It's ok, has some great information in it. I wish it had more ceremony examples in it not just information about ideas and traditions. But it does have some great info in it, just not exactly what I wanted.
