The First Snow Of Winter

Synopsis

Victoria Patterson is in love with Josh Harper and dares to hope that she has at last found her soul mate. With the perfect job as a nurse on the ICU unit in a Manchester hospital, her future looks rosy, but is Josh really the man for her? Sarah Jamieson is a midwife in Edinburgh and happily married with two beautiful children. Her participation in the making of a television documentary, about maternity care in Edinburgh, resurrects painful memories of one of the worst times in her life. One cold autumn evening, an extraordinary event stuns Victoria and changes the course of her life completely, eventually bringing the two women together and fulfilling the dreams of them both.

Customer Reviews

This was a happy story, beginning to end. Predictable, yes, but that's what made it enjoyable. After reading so many stories of mystery and sadness, this was pure pleasure.
